# MIONE

Daiohs Coffee Machine MIONE

**The coffee machine that makes a cup of coffee just for you, just as you like it.**

Fancy a cappuccino, or a mild espresso? Or how about a really milky cappuccino?

We are pleased to announce the launch of MIONE – the coffee machine that makes a cup of coffee just for you, just as you like it.

 Espresso  Cappuccino  Americano  Cafe Latte  Milk Foam

reddot design award  
winner 2013
